Organized by **TEACHING LEARNING CENTRE** BITS Pilani - Pilani Campus

About BITS Pilani

Birla Institute of Technology & Science, Pilani (BITS Pilani) has been consistently ranked high, by both governmental and private ranking agencies for its innovative processes and capabilities that have enabled it to impart quality education and emerge as the best private science and engineering institute in India. As per various reports by business magazines, the student acceptance rate to BITS Pilani is one of the most stringent in the world. BITS Pilani continuously strives to cater to the expectations of its brilliant student cohort and has always adopted pedagogical interventions relevant to the time. Pioneering teaching learning experiences like "Intensive Teaching Workshop" for the newly joined faculty, continuous faculty development programs, coupled with cutting edge research, give BITS Pilani its name. In recognition of the high standard that BITS Pilani strives to uphold, University Grant Commission, in 2018, has declared it as an "Institute of Eminence" (IoE).

Teaching Learning Centre (TLC)

To create and uphold excellence in teaching at BITS Pilani, a Teaching Learning Centre is established across the institute, in all the four campuses. The Teaching-Learning Centre promotes teaching learning experience, encourages innovation in teaching-learning methodologies and creates a platform for learning from the best practitioners and from each other. It also does foundational research related to teaching-learning processes and actively seeks strategies / interventions in specific target contexts. The details of the Teaching Learning Centre can be obtained from <https://www.bits-pilani.ac.in/tlc/home.html>.
