## About BITS Pilani

Birla Institute of Technology & Science, Pilani (BITS Pilani) is a Deemed-to-be University, offering on-campus programs to more than 18,500 students across its campuses in Pilani, Goa, Hyderabad, Mumbai, and Dubai. BITS, Pilani has been accredited by the National Assessment & Accreditation Council (NAAC) with 'A' grade with a CGPA of 3.68 on a four point scale after visiting its Pilani, Dubai, K.K Birla Goa & Hyderabad campuses in 2024. It has been recognized as an "Institute of Eminence" by the Ministry of Education, Government of India, in 2020. In QS Asia University Rankings 2023, BITS has been ranked 188th, the only private institute from India in Asia Top 200, and at 18 in India. Further, BITS Pilani has been ranked among the top 300 in QS World University Graduate Employability Rankings 2022 and within the top 8 in India. Having pioneered several curricular and pedagogic attributes, BITS Pilani has a vision to be amongst the top research-led Institutes in the country. Pioneering teaching-learning experiences like "Intensive Teaching Workshop" for the newly joined faculty, and continuous faculty development programs within and outside BITS, coupled with cutting-edge research, give BITS Pilani its name. The details of BITS Pilani can be obtained from <https://www.bits-pilani.ac.in/>

## Teaching Learning Centre (TLC)

Teaching Learning Centre (TLC) established across the institute, on all four campuses, promotes the teaching-learning experiences, encourages innovation in teaching-learning methodologies, and creates a platform for learning from the best practitioners and from each other. It also does foundational research related to teaching-learning processes and actively seeks strategies/interventions in specific target contexts. TLC promotes outreach program such as FDPs, Workshops and Exposure Visits and supports the role of mentor. To disseminate the new age pedagogy and Technology enabled teaching learning methods, TLC conducts International Conferences, Workshops & Training on regular interval. The details of the Teaching Learning Centre can be obtained from <https://web.bits-pilani.ac.in/tlc/Pilani/index.html>

## About Workshop

"Teaching is more than imparting knowledge; it is inspiring change. Learning is more than absorbing facts; it is acquiring understanding." - William Arthur Ward

The Teaching Learning Centre (TLC) BITS Pilani, Pilani Campus is organizing a workshop for Research Scholars/Post Graduate students and aspiring academicians. The aim of this workshop is to provide insights and hands-on experiences through various expert sessions so that they can pursue their teaching and research responsibilities effectively. The resource persons of the workshop will elaborate and discuss on various topics which are pertinent for the new generation academicians. The workshop will enable the research scholars to have a holistic understanding of teaching and learning through discussions and practical activities.
