Instrumentation Engineering)

NAB Auditorium

12 November 2022

3:30 PM Onwards

# Part-1 Making acads enjoyable

- Accepting your branch
- How much to trust inputs from seniors
- Staying in touch with Profs/ mentors
- Having a support network
- Using (not misusing) attendance policy
- Not letting Extra-curriculars drain acads
- Lab, tuts and quiz marks and good grades
- Making the best of 'Dual Degree'

# Pat-2 Pitfalls to watchout for

- Are acads at BITS really 'lite'?
- Investing theses four years will make a difference
- How did COVID break affect?
- ACB Category
- Danger of missing classes
- Dangers of irregular food and sleep patterns
- Long term vs Short term focus
- Challenges of placement
- Role of CGPA in placement

# Pat-3 Academic opportunities (2<sup>nd</sup> year onward)

- The value of having SP/LP/DP
- TAs
- Department SFC
- First-Degree Project Funding by AUGSD for up to 50,000/-
- Department Discipline Associations
- ACC volunteers
