Research partnership and funding opportunities from European Commission

For mobility and fundamental research:

- Marie Skoldowska Curie actions for researchers mobility both to India and to Europe: there are possibilities to create training networks for PhD fellows (ITN) (you would need to provide your own funding); and also to host European researchers in India (Individual fellowships: paid by the EU) https://ec.europa.eu/research/mariecurieactions/actions/get-funding_en

  o Look at Global Fellowships: https://ec.europa.eu/research/mariecurieactions/actions/individual-fellowships_en

  o Existing job opportunities to which researchers can apply: https://euraxess.ec.europa.eu/jobs/search

- The EU set up this service in India for researchers information: https://euraxess.ec.europa.eu/worldwide/india : support for researchers;

- https://erc.europa.eu/ : European research council: non-EU researchers can apply, and just need to spend at least 50% of their time in European institution;

- For researchers wishing to join an ERC grantee team: https://erc.europa.eu/funding/additional-opportunities ;

For challenge based research :

- Then there are numerous opportunities in any calls open under Horizon2020 provided you bring your own funds:

- Horizon 2020 participant portal: https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/programmes/h2020 ;

- Please note that there will be a new batch of calls in June 2019. Once they are published, let's have a look at them;

- Here is an example of list of calls running from 2018-2019 in the area of energy : http://ec.europa.eu/research/participants/data/ref/h2020/wp/2018-2020/main/h2020-wp1820-energy_en.pdf

- and in the area of social sciences: http://ec.europa.eu/research/participants/data/ref/h2020/wp/2018-2020/main/h2020-wp1820-societies_en.pdf

- The best is to screen the document with keywords to identify the right call;

For social sciences:

- We have also an India-EU social science network: http://equipproject.eu/

   - Attached is a list of example of Cultural Heritage projects (word doc);

For startups:

   - As mentioned by Vivek already, but the call is already published in the meantime: INNOWIDE funding viability assessment projects (first call in april): www.innowwide.eu

   - India-EU incubators network: https://startupeuropeindia.net/eiip/
